John Finch  
Right Track Programme – Te Ara Tutuki Pai  
Auckland

### **Fresh Start –Innovative Fund**

To whom it may concern,

I am writing in support of the Right Track programme that John and Helen Finch facilitate and manage. Right Track has been running in West Auckland for the last 18 months and Child, Youth and Family have referred a number of young people to this programme.

This programme deals with a range of young people from all walks of life who have been charged with drink driving, driving dangerously etc. The programme content has a significant impact on the young people and their families and real changes in the young people are clearly seen throughout the programme.

This is a programme that has significant support from key stakeholders and the community of West Auckland. The outcomes of this programme are significant and Child, Youth and Family will continue to fully support the continuation of the Right Track programme.

Yours sincerely

Peter Alexander
